## Care Instructions

### Monstera Monkey Mask Mint

Introducing the stunning Monstera Adansonii Variegata 'Mint'. This a must-have for serious plant lovers! This highly sought-after plant makes a statement with its beautiful variegated foliage and unique leaf shape. The leaves are narrow and have large holes, with minty green or cream variegation. This plant is a tropical climbing variety which enjoy a more humid, warm part of the home. These plants are absolutely gorgeous and are one of The Foliage Studio's favourites.

**Light:** Bright indirect light. Direct light will burn the leaves.

**Water:** Allow soil to dry out before watering. Ensure good drainage and do not let pot to sit in water.

**Maintenance:** Ready potted in our premium soil, so no need to repot for the next 12-24 months. Fertilise with our GrowthTechnology Complete or Foliage Focus Plant Food monthly during spring/ summer.

**Air-purifying plant.**

**Toxic:** Keep out of reach from pets and children.
