## Care Instructions Tradescantia Sweetness

Tradescantia 'Sweetness' is a stunning houseplant with trailing stems adorned with lush, variegated leaves in shades of green, pink, and cream. This eye-catching plant thrives in bright, indirect light and is known for its rapid growth and low maintenance. It's trailing habit makes it a stunning choice for hanging planters and on top of shelves. This NEW variety on the New Zealand plant market is perfect for indoor spaces adding an exotic, lush feel to your home décor.

**Light:** Bright indirect light. Low light will dull variegation. Keep away from direct sunlight. Avoid draughts/cold breezes.

**Water:** Keep soil moist, not wet. Water when top layer (5cm) of soil has dried out.

**Maintenance:** Ready potted in our premium soil, so no need to repot for the next 12-24 months. Fertilise with our GrowthTechnology Foliage Focus Plant Food monthly during spring/ summer. Reduce feeding in the colder months.

**Air-purifying plant.**

**Toxic:** Keep out of reach from pets and children.

**February 2025 Plant Subscription**
